You start either from the old farmhouse at the Lormanberg or from the holiday apartment in Hatzendorf, travel to Bergl near Riegersburg and first let yourself be inspired by the delicacies at the chocolate factory Zotter. In the sales room, there is also a possibility to drink delicious coffee.

Next to Zotter you will visit the Fromagerie with exceptional cheese creations.

the castle hill or take the lift.

If you are looking for a cool bath, the Schlossbad Riegersburg is on your way.

You can either end the day in the winery and Buschenschank Bernhard with a magnificent restaurant and fantastic views of the Riegersburg or dine at the distinguished restaurant Malerwinkel.
